

MARITIME REALISM WITH WATERCOLOR AND CASEIN

WITH BILL HUDSON

SATURDAY, DECEMBER 1, 2018 9:30AM-3:30PM

Join instructor Bill Hudson as he discusses the properties and history of water media and demonstrates his watercolor and casein method. Students will observe and follow along with Bill as he demonstrates his own unique style elements to achieve vivid realism and luminosity in nautical scenes. Students will learn to address objectives, composition, sequence, and overall technique using a similar approach with a scene of their choice. Bill will provide casein and one-on-one instruction for those who wish to try the advantages of this complementary media as well as a free copy of his *Watercolor Pocket Guide* to reference for future painting endeavours!
